Circular dated 31st January 1950.

To

All Heads of Departments.
All the Treasury Officers.

Subject:—*Mis*classification in Treasury Accounts under XII. Stationery and Printing and other Heads.

No. 558—B. II. It has been brought to the notice of this office that receipts of Stationery and Printing, Public Health, Jail and other service Departments which are finally to be taken as reduction of expenditure are classified by the Treasuries as final receipts of the Departments. This is wrong in principle. They are to be rightly taken against the corresponding receipt heads in thick type in the cash accoun The result of such a misclassification on the part of t Treasuries has been to inflate figures under the Departmen Revenue Receipt Heads giving rise to much avoidal correspondence between the Audit Office and the receivi Departments and verification of challans and schedul particularly at the time of the Revised Budget Estimates.

With a view to prevent such misclassifications a consequential unnecessary correspondence in future, t Treasuries are instructed to insist on all details required f a correct classification of the receipts and classify und relevant heads in the cash account. Receipts which are to taken as reduction of expenditure in the books of the Aud Office must without fail be taken against the heads in thic type under the Departmental receipt heads in the Cas Account.

To quote an instance, sale proceeds of Vaccine Lymp should be classified as "XVIII. Public Health Sale Glycerine Vaccine" and not "XVII. Public Health Sale Vaccine" and the same will be classified in this Office a "22 Public Health, 3. Vaccine Institute.

Deduct Sale proceeds of Glycerine Vaccine Lymph."

A similar procedure will have to be followed in respect c receipts pertaining to Stationery and Printing, Jail and othe Departments also.

Instructions conveyed in this Circular are to be strictl adhered to by the Treasuries with immediate effect. H

Departments may bring any lapse on the part of the asuries observed in this regard to the notice of this office taking suitable further action to remedy such irregu-ties in consultation with the Revenue Commissioner.
